Disc Golf Rules

1. Tee Throws

Each hole begins with a throw from the tee pad.
2. Lie

The lie is where the disc comes to rest. Subsequent throws are made from the lie.
3. Throwing Order

The player with the lowest score on the previous hole throws first. After teeing off, the player whose lie is the furthest from the basket throws first.
4. Fairway Throws

Must be made from the lie. A run-up and follow through is permitted.
5. Putting

Within 10 metres of the basket, a player is required to remain behind the lie until the disc comes to rest.
6. Completion of Hole

A hole is complete when the disc comes to rest in the basket or chains.
7. Out of Bounds

A disc is out of bounds (OB) when it is completely surrounded by the OB area as marked on the tee sign. A one-stroke penalty is added to the score and the next throw is taken from the point where the disc went OB. All throws on or over roads, footpaths and bollards are out of bounds.
8. Trees

If a disc comes to rest in a tree, the next throw is played from underneath with no penalty.
